

# News from School Council – January 2011 – Happy New Year!

## **Lots of Thanks for a Great December at Eleanor Hall:**

### **Hot Lunch!**

Thanks to Leahanne Zukiwski and her team who prepared the ham lunch. If you are able to help with lunches in the future **please contact Leahanne through the school office.**

### **Christmas Store!**

Thanks to everyone who donated to and worked at the Christmas Store and to Mrs. Fedun for organizing it! What fun the kids had shopping for that special gift for the special people in their lives.

Thanks to Sobeys Westlock for donating shopping bags to help take those purchases home. Please make sure to support local businesses that support our school.

### **Field Trips!**

Thanks to our wonderful teachers who put a lot of time and thought into planning field trips for our students. In some cases these trips provide experiences that some of our students might not otherwise have the opportunity to obtain and it is fantastic that our teachers are willing to take our students to so many events out in the community. It is extra work for them! I was lucky to be able to go on trips with both my girls the week before Christmas. The kids had a great time and were well prepared for their trips. If you are able to, please take the opportunity to go on a field trip with your child. It's a great experience! If you need to know about field trips far ahead of time, just talk to your child's teacher.

### **Raffles!**

Thanks to the Charabin family who donated the Santa Bear who brought in \$122 for the library.

Thanks to the Nesterovich, Charabin, George and Zukiwski families for their creative Gingerbread Houses that brought in \$165 for the virtues program.

The loonie tree raffle brought in \$107 for prom and other Junior High needs.

Thanks to everyone who bought raffle tickets to support these needs within the school.

Special thanks to Mrs. Ward for organizing all of these raffles.

### **Christmas Concert!**

Thanks to the school staff and students for their hard work putting together a very entertaining Christmas Concert.

Thanks to everyone in the community who attended the two performances. A packed gym at both performances shows how much our community cares about our school and students.
