Dear Parents/Guardians:

We are just letting everyone know that because of the cold weather, **lunch that was scheduled to take place on Tuesday has now been moved to this coming Thursday (January 19th)**. Please take a look at the menu that was sent out in the newsletter last week and let's do our best to support it as we want this to continue in the future. **Mrs. Zukiwski is really going out of her way to do this for the school and I would like us to support this venture as much as we can. Thank you.**

Also, please keep in mind that Thursday January 19th is our monthly assembly day and that will be taking place at 2:30 PM. In addition, later that evening we will have our first School Council meeting of the New Year. Please see the newsletter for agenda items and please note that the meeting will start at 7 PM in the school library.

The weather has been extremely cold this week and it looks like winter has finally arrived. **Please make sure that students come to school dressed for the weather as we want to be able to send them outside if the weather permits it.**

If there are any questions or concerns about this or anything else please feel free to contact the school for assistance. As always thank you for your support, it is greatly appreciated by everyone at the school.
