Dear Parents/Guardians,

Working with Ag for Life, Clyde Village council and UFA, we are delivering a rural and farm safety program on October 27th. This half-day event will teach students how to keep themselves and those around them safe and healthy. Students will learn about a wide variety of safety topics delivered by local volunteers, businesses, and safety experts. Topics covered will include:

- Grain Safety
- Chemical Look a Like
- Hazard Hunt
- Hearing Safety
- Helmet Safety
- Large Equipment Safety/PTO
- Sun Safety
- Underground Utilities

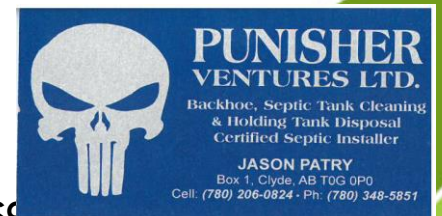

To help reinforce the safety principles at home, Ag for Life provides students with a 'safety' goody bag that contains workbooks, safety reminder stickers, and Ag for Life's Farm Safety Walkabout booklet. Keep an eye out for the safety bag and take advantage of the great resources. For additional safety resources and details about the variety of rural safety programs that Ag for Life offers for the whole family visit <http://agricultureforlife.ca/farm-safety-resources/>

UFA has sponsored this event with a \$1000 donation, so we have asked Sue to provide lunch for the kids, staff and our 8 volunteers that day. We will be enjoying burgers and macaroni salad. As well, we have a \$100 donation each from Councilor Matthew White and Punisher Ventures Ltd. I would also like to extend a special thank you to our Eleanor Hall School Enhancement Society for donating \$500 to Ag For Life in order to demonstrate our support for these awesome farm and rural safety programs around our province.

If you have any questions or concerns, please do not hesitate to contact me at the school or by email.

Kind Regards,

Michelle Savoie michelle.savoie@phrd.ab.ca

Eleanor Hall School vision is to provide a safe and caring
environment that fosters the growth of academic development
through creative and critical thinking skills for every student.
