Principal's Message

November 2019

I cannot believe how quickly the first two months have flown by! It was great seeing so many of you during the Goal Setting Meetings earlier this month! A special thank you to the parents who brought in supper on Wednesday night, and to the Enhancement Society for getting our Thursday night dinner catered for the staff during our Goal Setting nights. The meals were fantastic, and we truly appreciated it.

On November 28th please check PowerSchool as all grades will be updated. Some of the Elementary Teachers will also be sending a paper copy home, or will, if one is requested. If you request assistance accessing PowerSchool, please contact your child's teacher.

Our Remembrance Day Service will take place Thursday, November 7th at 1:00 pm. Everyone is invited to attend. I would like to thank all of the staff who have been busy organizing and preparing performances for this special assembly. The grade 5's will be coming around to classrooms 'selling' poppies for a donation starting November 4th. Please note that there is no school on Friday, November 8th and Monday, November 11th. November 12th Jack Adkins will be here doing a Vaping Presentation for the Grade 7-9 students, and there is a Volleyball Pep Rally starting at 2:30 on November 13th. Please note that Picture Retake Day is November 15th. Alberta Opera's presentation of Sleeping Beauty is on November 21st at 2:00 PM. Thank you to the Enhancement Society for funding this performance. Please join us; anyone is welcome to attend.

The students have Friday, November 22nd off as it is a Professional Development Day for staff, and November 29th is an Eleanor Hall Day.

The next School Council Meeting is on November 20th at 7:00 PM. School Council would love to have a classroom representative from each classroom attending the School Council meetings. Please let your child's teacher know if you are willing to be the rep for their classroom.

During our School Council Meeting in October I shared the cell phone policy. This year students are asked to keep their cell phones in their lockers, or deposit them in a set location in the classroom. They are allowed to check them at breaks. At times, teachers will allow the students to use their phones in class if needed to assist them with their learning.

With the change in weather almost upon us, we are asking parents to please make sure students are dressed for the weather. Students will be sent outside as much as we can for fresh air and exercise, but we need to make sure that the students are dressed appropriately. The only times we do not send kids outside is if it's raining or extremely cold.

Kindergarten to Grade 5 Parents:

If you have not yet paid for your child's school supplies please remit payment to the school office. Kindergarten \$40.00 and Gr. 1-5 \$30.00. Payments may also be made on School Cash Online located on the Homepage.

Thank you for your co-operation!
