On Friday, March 3rd all PowerSchool updates will be completed for Jr. High Students, and Progress Reports will be sent home with students in Kindergarten to Grade 6.

Parent/Teacher telephone conferences are being held Tuesday, March 7th and Thursday, March 9th from 4:00-7:00PM. The online booking software is open. You can find the link on our website under the 'student and parent info' tab. If you want a particular time to see teachers, please book early as slots fill up quickly. **Please note that you may book a phone or in-person interview.** If you are having any issues with the program, please call the office. If these dates and times do not work for you, please contact your child's teacher to set up an alternate time.

As you know, the ski trip on February 24th had to be cancelled due to inclement weather. The new date for skiing is Thursday, March 23rd. There will be a new consent form for you to complete online.

Mrs. McNelly is taking the Choir to the Barrhead Rotary Music Festival on March 20th.

Thanks to all of you who completed the Pembina Hills Survey. Please also complete the Alberta Ed Survey. The deadline has been extended to March 20th.

Kindergarten registration/open house is on April 12th at 1:00 PM. Kindergarten children must turn five by Dec 31st, 2023 to attend Kindergarten in the Fall. Mrs. Stoyko will then be holding a CPrep open house at 2:30 PM.

Spring Break begins on Friday, March 24th. Our first day back is Monday, April 3rd. We hope you have a wonderful break!

Emily Edroff

February 23rd, 2023

Emily Edroff is a Grade 2 student at Eleanor Hall School. She was nominated for the Citizenship Award by her Teacher, Jill Rauscher.

Being a **responsible** student, Emily always comes to school prepared. She hands in her agenda every morning, reminds her teacher of important events, and helps her classmates stay on task with gentle reminders. She is responsible for her learning and never gives up. This is especially true when she is learning something new. She will try it one way and if that doesn't work, she will regroup and try a different strategy. She asks questions to make sure she is understanding and does this until she has a solid grasp of what she is learning.

Emily took a fellow student 'under her wing'. She **helped** and **supported** him in making sure he got ready for the day, that he was following the class daily routine, got from place to place within the school safely, and gave words of encouragement along the way.

Emily is willing to try just about anything with a smile and a **positive attitude**. She will not back down from a challenge and continues to try until she gets things right. Her teacher notes that during math, when Emily works at problems she will not give up until she finds the correct answer.

Emily is very aware of how people are feeling. She noticed a friend who was feeling sad at recess and tried her best to make her friend feel better. When that didn't work, Emily went to the teacher so that they could try. Emily stayed with her friend for the rest of the day, offering **kind** words.

The school board is pleased to present Emily with the Citizenship Award in recognition of the positive contributions she makes in her school and community. *Congratulations!*

Westlock Begins Housing and Service Needs Estimation Survey

Westlock, AB – Westlock and District FCSS, with the support of Town of Westlock, Westlock County, and Village of Clyde, has commissioned the Rural Development Network (RDN) to conduct a housing and service needs estimation in Westlock. This project is funded in part through the Government of Canada's Reaching Home program.

The purpose of the project is threefold:

1. Provide a comprehensive picture of housing insecurity and homelessness in Westlock.
2. Inform service providers and municipal, provincial, and federal policies, practices, and funding decisions on homelessness, housing, and support services.
3. Elevate and incorporate the voices of people experiencing homelessness in the solutions to end homelessness.

Data collected across the community will help us understand the extent of housing and service needs in Westlock and will also inform the development of Westlock's Community Housing Action Plan. The survey will be available online and at participating agencies from February 13 to March 31, 2023. The participating agencies are Westlock Library, Westlock Community Victim Services, Alberta Supports, Westlock County Community Services, Hope Resource Centre, and Youth Unlimited - YFC Westlock, and Healthy Families Healthy Futures.

"Given the increasing number of people experiencing housing insecurity and homelessness across the country as a result of COVID-19 and rising inflation rates, it is more important than ever to collect accurate data on the state of housing and homelessness in rural communities such as Westlock, to provide an accurate picture of current need and build a plan to address housing and service needs moving forward." Emma Wallace, Project Manager of Community Development and Homelessness Estimations at RDN.

"We are excited to be rolling out this survey in partnership with RDN, Westlock & District Homelessness Coalition, and Timothy's Safe Haven. The results of the survey will help build a plan to collectively address housing insecurities in our community and ultimately help those most vulnerable. The key to this project's success is agency and community participation, so we look forward to the survey being widely shared." Tracy Proulx, Executive Director of Westlock & District FCSS.

Well another season is coming up and I have opened up registration for kids between the ages of 3-13, please register but do not try to pay until we are positive we have a team and a coach.

Please remember this is a volunteer based community group, we need parents to be willing to help and coach.

No coach no team, coaches are given a discount on fees, they will be asked for a criminal record check as per the organizations rules, these can be obtained for free when volunteering, Thanks !
