Goal Setting (Parent/Teacher/Student meetings) is this week on Wednesday, October 18th and Thursday, October 19th from 4:00-7:00 PM. Online booking will be open October 13th. You can book an appointment online through our school's website by going to Student & Parent Info, then to Booking Parent Teacher Interviews. You can decide if you would prefer a meeting over the phone or if you would like to come in to the school. If you would like a phone appointment you must indicate that when you sign up as the system will default to in-person. If your phone number has changed recently please let the office know. Please do not book an appointment online after 12:00 pm for that evening. If you are experiencing problems, please contact the school office and we can book your appointment for you. Our goal is to speak with as many parents as possible, but we understand that the timing might not be right for you. If that is the case, please book another time with your child's teacher.

The Terry Fox Run took place Thursday, September 28th and it was a great success! We raised \$1280.60. Thanks to everyone who donated. Donations are still being accepted online or can be delivered to the office until October 13th .

Last week our students participated in Truth and Reconciliation week. This week honors the lost children and Survivors of residential schools, their families and communities. All of our students participated in a variety of activities and lessons to commemorate and inform the students. Conversations and activities were age appropriate with younger grades focusing on kindness, respect, and how 'every child matters'. Please ask your child about what they learned.

Thank you to Mrs. Brand and Mr. Gezmish who are currently coaching Elementary Soccer. The tournament is on Thursday, October 5th at Busby School.

Thank you to Kate Grimmeyer, one of our former students, for coaching our girls' volleyball team and for Candace Hnatiw and Mrs. Wasieczko for supervising and completing all the required paperwork!

The grade 4-9 students were given an opportunity to compete in the Pembina Hills Cross Country Run a couple of weeks ago. It was a fantastic day and our students did great! Thanks to Mrs. Thue, Mr. Laughy and Mrs. Wasieczko who accompanied the students.

Our School Council greatly supports our school in countless ways and we are so appreciative of everything they, and The Enhancement Society does. We would like to take this opportunity to invite you to our first School Council meeting of the year, which will be held at the school on Thursday, October 5th at 4:00 PM in the conference room in the office.

We here at Eleanor Hall are thankful for all of the support we receive, and are certainly reminded of this with Thanksgiving being just around the corner. We hope that you and your family enjoy your four-day long Thanksgiving weekend!

PARENT COUNCIL ANNUAL GENERAL MEETING

October 5th 2023 4pm in School Conference Room

The Eleanor Hall School Council will be having its Annual General Meeting this Thursday, Oct 5 at 4pm at Eleanor Hall School. Any parent(s) who have student (s) attending Eleanor Hall School can be a part of the School Council or attend school council meetings. This is a fantastic way to meet other parents, become involved in the school, and make a difference in the education of your child(ren). In the attached agenda, the role of a school council is outlined for you, and we will be sharing what our school council has done over the past year. Most importantly though, we will be voting in our 2023-24 School Council Executive. The roles of the school council executive are described in the attached agenda. If you or any other parent of a student in Eleanor Hall School is interested in running for an executive position on Eleanor Hall's school council, please attend the meeting and bring your nominees with you! We would appreciate as much parent involvement in this decision as possible! We will also be sharing what the Eleanor Hall School Enhancement Society is and how this Society plays an essential role in funding student activities! If fundraising is something you are interested in, the Enhancement Society would welcome your volunteer time and input. The fundraising efforts of the Enhancement Society is what significantly lowers the out-of-pocket costs for student events, activities, and field trips! Please review the attached meeting agenda and we look forward to seeing you there!
