

# ELEANOR HALL SCHOOL

# NEWSLETTER

## Principal's Message

As the leaves begin to turn their brilliant shades of yellow and gold and the air grows crisp, there is a tangible sense that we have truly settled into the school year. The initial excitement of September has gracefully transitioned into the productive and positive rhythm of October. It is wonderful to walk the halls and see our students, from Kindergarten to Grade 9, fully engaged in their learning, building friendships, and embracing the routines that foster success.

This month brings with it a special opportunity for reflection with Thanksgiving just around the corner on Monday, October 13th. It is a season of gratitude, and here at Eleanor Hall, we have so much to be thankful for—most notably, our incredible students, our dedicated staff, and our supportive parent community. In classrooms, teachers are continuing to place a strong emphasis on literacy and numeracy, and many grades are working together on cross-age projects like reading buddies. It has been encouraging to see older students taking on mentorship roles with our younger learners.

With the cooler fall weather upon us, we ask that families ensure students come dressed appropriately with layers for outdoor recess, as staying warm and active helps them remain focused and ready to learn.

We would also like to recognize our parent volunteers for their help and congratulate our cross-country team for proudly representing our school at their recent meet!

As always, we remind families to continue practicing safety during morning drop-off and afternoon pick-up by using designated zones and driving carefully.

With the looming strike, we want to extend our best wishes to all families during this uncertain time and share our hope that any interruption to school learning will be short-lived. We greatly appreciate your patience, understanding, and continued support as we navigate these challenges together.

We look forward to a quick return to school learning and a month filled with rich learning experiences.

# Notice Board

## Save the Date!
