

ELEANOR HALL SCHOOL

NEWSLETTER

Principal's Message

Can you believe it's already May? The sun is finally staying out longer, the remainder of the snow will soon be gone and the grass will be getting greener. There is a definite "buzz" of excitement in our hallways.

May is a high-energy month at our school, with many activities taking place both inside and outside the classroom. As I reflect on our recent Spring Tea and Concert, I want to extend a huge "shout out" to our entire school community for your continued support. The students' hard work and dedication in the weeks leading up to the show were truly evident in their wonderful performances. It was also great to see such a fantastic turnout of families and guests who joined us for the event.

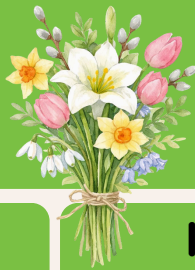

As we push through the final stretch of the year, I would like to recognize the tireless efforts of our staff. They work incredibly hard to support each student, ensuring they have the tools to succeed and grow in a positive way. Even with the excitement of spring, our classrooms remain busy as students wrap up core units and showcase everything they have accomplished since September.

Upcoming Government Assessments

I would like to remind parents of a few very important events coming up over the next two months. Students will soon be completing year-end government assessments. Notably, our Grade 6 and Grade 9 students will be writing their Provincial Achievement Tests (PATs). Additionally, the mandated literacy and numeracy assessments that students completed at the beginning of the year and in January will take place once more to measure the incredible growth they have made this school year. The results of these assessments will be made available to parents to review.

Let's finish this school year strong, stay kind to one another, and enjoy these beautiful spring days!
