Principal's Message

Welcome back to another amazing school year! Whether you are a returning family or joining our community for the first time, we are thrilled to have you here. We would also like to welcome our new L.A. teacher Miss Peck who is filling in for Mrs. Wasieczko's maternity leave.

Our staff and I are so excited to see the students' smiling faces and the incredible energy they bring to the once-empty building. We are ready and committed to helping every child feel supported, confident, and challenged to reach their full potential.

As students settle into our new routines, our staff will continue to teach them about building a school environment rooted in respect and kindness.

Please keep an eye on future newsletters for important upcoming dates and school updates.

To Our Parents and Guardians: A strong connection between home and school is the foundation of student success, so we invite you to partner with us, stay connected with the teachers, and join in school events when you can. As the year progresses, if concerns arise, please do not hesitate to reach out to me to share your concerns.

Thank you for entrusting us with your child's education. Let's make it a fantastic year!

Welcome to all new students! & Welcome back to all returning students!
