NOVEMBER 2026

Principal's Message

Welcome to November! The recent winter snow has signaled the onset of winter months just around the corner. We have much to reflect on and celebrate as a school community. The first few months of the school year have flown by, and our students have been working incredibly hard, settling into their routines and demonstrating great dedication to their learning.

Remembrance Day Assembly
November is a deeply significant time for reflection and gratitude. We will be holding our annual Remembrance Day Assembly on **November 10th at 10:30 AM** to honor the courage and sacrifices of our veterans and active service members. This is an important opportunity for our students to learn about history, reflect on the value of peace, and pay their respects. We invite our students to wear a poppy as we come together to participate in this solemn moment of remembrance. Please join us if you can; families and community members are always welcome.

Progress Reports
On November 10th your child will be bringing home their progress reports. These reports are designed to highlight your child's achievements so far and provide a clear snapshot of their academic and social growth since September. We encourage you to sit down with your child to celebrate their successes, discuss any areas for growth, and set positive goals for the months ahead. Your partnership in their educational journey is invaluable.

Athletics Update
November starts to signal the end of the volleyball season and the start of the basketball season. Next week, our Junior Boys and Girls teams play in their final tournament of the year, and our Grade 5/6 teams have their final tournament at the end of November on the 26th. We want to congratulate our volleyball players on a fantastic season filled with hard work and great sportsmanship, and we look forward to seeing our students hit the court as basketball gets underway!

Upcoming Fall Break
With all the hard work our students and staff have put in, everyone is certainly ready for a well-deserved short break. This short break for our students will give them a chance to reset and recharge before the busyness of the last stretch until Christmas break.
Thank you, as always, for your continued support and collaboration in making our school a wonderful place to learn and grow.

Mr. Bujold

PHSD Information

HELP KEEP OUR SCHOOLS HEALTHY

When your child is sick, keeping them home helps protect classmates, staff and families.
If your child isn't well enough to learn, participate and be around others, ***keep them home.***

FEVER

Keep your child home until
- they have been fever-free for 24 hours. **without** fever-reducing medication.
- their symptoms have improved.
- they feel well enough for normal activities.

VOMITTING OR DIARRHEA

Keep your child home until **48 hours after** the last episode of vomiting and/or diarrhea.

COLD & RESPIRATORY SYMPTOMS

Keep them home
- while symptoms are getting worse.
- if they're too unwell to participate normally.

Once symptoms are improving and they feel well enough for normal activities, they can return.

OTHER SIGNS OF ILLNESS

Keep them home if there is
- a new rash.
- eye infection.
- any other potentially contagious illness.

Follow your healthcare provider's guidance about when they can return.

What about head lice?
Head lice are *not* considered a communicable disease and is not a reason to keep your child home. If lice are found, begin treatment as soon as possible.
